CVSW Open House A Thank You From Bob

All- Wow- What a day!! I can't thank you all enough for coming Saturday and being a part of what had to be one of the best Open Houses the school has ever had- Not sure if this one or the one last year was better- they were both great! Having all of you here to talk, teach people, show your stuff, help set up and break down, maybe sell some stuff- all made for a great day and I can't thank you enough for coming- I just need to apologize to you for the little rain "event" in the morning- I thought I had taken care of that!

I hope you can all make it again next year- Just looked at the 2017 calendar- I am guessing it will be September 9 or 16- depends on Nashua antique tool auction and Woodworking in America.

Thanks

Again and I hope to see you all soon.

Best

Bob
