President's Note

Hello woodturners,

We had another fun event at CVSW, it's a lot of work preparing, sharpening tools, prepping wood blanks, setting everything up, then packing up & cleaning up all of the shavings. Thanks to all who came out to turn, talk & help support CVSW & Woodcraft. Big thanks to Jim Kephart for bringing the shelves & safety shield.

9/24 Club meeting is at CVSW/Woodcraft

9/28 Parkerville Open House

10/22 Club meeting Parkerville

We will be asking for volunteers to serve for the club, who can help?

We support the Turn for Troops at Woodcraft, they supply the kits & blanks, they need some help cutting, drilling the blanks & gluing in the tubes this year, we will have tubes & wood at the September meeting, we need a few volunteers to take 10 or 15 sets & prep them then bring back to the October meeting.
