

Central Connecticut Woodturners

A Chapter of The American Association of Woodturners
Dedicated to the Advancement of Woodturning

NEXT MEETING—June 23rd —Starting at 6:30 pm

Where:

JIM KEPHART'S SHOP
85 Hilliard St, Manchester

MEETING DEMO

The meeting demo will be replaced by “SHOW YOUR” turning “tricks”, your jig/fixture ideas, your wood finish techniques, your embellishment methods, storing and preserving wood, tool sharpening methods and other skills that would be of interest to your fellow woodturners.

PRESIDENT’S NOTE

Since our last meeting, the Club participated in two events.
The Parkerville demo/pen turning and the Lebanon Historical Society pen turning event.

We had a good turnout for both. Many people got behind the lathe and got the to feel what we feel when we turn on the lathe—SCARED!!—Only kidding.

These learning turners got to feel their creative side start to surface. The younger participants could not believe what they have done in turning a pen. And the adult participants for a few moments felt like kids again. Those of us CCW instructors who participated got to watch their joy, their enthusiasm, their excitement and to watch them walk away with their prize.

Pretty cool in my opinion. Thanks to everyone who participated.

George Upton, President

LIFETIME MEMBERSHIP AWARD

LYNDA ZIBBIDEO

LYNDA received the Central Connecticut Woodturners Club *LIFE TIME MEMBERSHIP AWARD* at the Club’s May Meeting. Lynda is pictured here with the CCW Board Members. Lynda has served the CCW as President, Vice-President, Secretary, Newsletter Editor and Mentor.

Several members shared their experiences with Lynda. They emphasized her love of the art, her growth, and her experimentation of turning, carving, piercing and embellishing.

If a turner needed help, Lynda is always there to help. No one is more unselfish with her time than Lynda. She is most deserving of this award. Congratulations!!!

From all of us, THANK YOU!
