

Central Connecticut Woodturners

A Chapter of The American Association of Woodturners
Dedicated to the Advancement of Woodturning

NEXT MEETING—January 26—Starting at 6:30 pm

Where:

Jim Kephart's Woodturning
85 Hilliard St, Manchester, CT

MEETING AGENDA

1. Election of Club Officers for the next two year term
The following have volunteered to lead the CCW:
Butch Watson—President
Lynda Zibbideo---Vice President
Joe Stajduhar---Treasurer
Chris Dudley---Secretary & Newsletter
Mike Orenstein---Library
Even though these people have volunteered, they must be nominated and then voted in at the January meeting.
If anyone else wishes to take on one of these positions, please step forward at the January meeting.
2. A discussion of the members will be held to determine the direction the CCW will take as we move forward.
Some thoughts—What type demos would you like to see?
What events would you want the CCW to participate in?
Are there other places, including our current places, you would like to have meetings?
Could our Club join another turning club (West Mass) is special demo events or some other projects?
And please, offer any other ideas you may have to make the CCW a better Club.

OPEN SHOP

There *will not* be an Open Shop at Jim Kephart's in January.
