Ken Guarneri

**Ken Guarneri met this service man (Justin) recently at a art/craft fair.  
The following is a message from Justin**

Ken this is Justin from the craft fair. The picture is of the pen I received when I was deployed on the USS Abraham Lincoln back in 2002. This has traveled with me for the past 14 years. I always wanted to say thank you for the time they took out of there day to make a small gift for all the service members. From everyone who received one I want to say thank you.
