We had another great time at Woodcraft at the Turning for Troops, a big thank you to Woodcraft for sponsoring the event. I'm sure our deployed military members will appreciate them.

We will have a tool auction this month, if you have a skew, gouge hollowing tool that you no longer need & would like to donate the proceeds to the club, bring it to the meeting.

We have not had a wood swap lately, could a few people bring in a chunk or 2?

The Christmas party will be Dec 17 at CVSW, it will be pot luck, we will send out a link to sign up for what food items to bring also bring a turned & wrapped/bagged gift to swap. Please bring your spouse or family members along , it's a good time to eat & socialize and give thanks to CVSW & Woodcraft for supporting us this year.
