Next Meeting:

Join us at Ken Rowe's shop in Durham CT on Tuesday, January 24th 2023 at 6:30pm. John Webber will do the demo -- either a small heart shaped bowl or a thin platter.

President's Note

Hello woodturners,

Happy New Year.

It was great seeing everybody at the Christmas party. Sorry some could not make it, but we have another one coming up in 11 months. Thanks to all for helping set up and clean up and bringing chow.

It was nice to work at The Woodworking Shows last weekend, glad to hang around with old and new club members. Thanks to Ken & Joe for bringing up some delicious donuts. Tom turned his first pen, and we had several new members working the pen turning booth. Thank you all for helping. Saturday was the busiest. By Sunday evening, it was good to finally relax. Thanks again for helping set up the booth, set up the lathes and shelves, manning the booths, then breaking it all down.

We are working on the schedule for this year. If you have an idea for a demo or something you want demoed, let Kip or myself know so we can get it planned out.

This month's meeting will be at Ken Rowe's shop in Durham. I will do the demo on a small heart shaped bowl or thin platter. Wish me luck.

See you Tuesday,

John Webber
