President's Corner

Here are some important dates to mark on your calendar for upcoming events:

- **August 9th** - There will be a Board of Directors meeting at my house in East Hampton at 7:00 pm. The primary focus is to plan for the rest of the 2007 calendar year.
- **August 11th** - The CCW summer picnic at Ken Rowe's house in Durham. Please call me if you plan to attend, so that we can get an accurate count items needed at the party.
- **September 22nd** - Connecticut Valley School of Woodworking / Woodcraft store will be having an Open House with displays and demonstrations. CCW will be providing some of the demos. If you are interested participating please call and let me know.
- **September 29th** - Connecticut Valley School of Woodworking will present "A Taste of Woodturning". This will be an opportunity for people to watch and have a hands-on demo. This is a chance for people new to woodturning to experience the craft skills first hand to see if they would like to pursue the craft further.
