President's Note

Hello woodturners,

We are adding new events/locations this year... current total is 9. A few more may be scheduled as the word gets out.

We just held a pen turning at Ashford Arts Council on a day with a prediction of snow. We turned 24 pens. Was a good turnout, not too rushed, was a lot of fun. I will send out the current list over the weekend so folks can plan.

Thanks to Dan, Joanne, Kip, Rob, Jay, Dayton & Derek for helping make it a successful event.

Last month's demo was a heart plate or bowl; patterns were available. I hope to see some hearts at show & yell or my heart will be broke.

Kip will be doing the Feb demo on a lattice technique. This should be good, I can't tell you about it. You will have to come see for yourself.

See you there,

John
