

Central Connecticut Woodturners

A Chapter of The American Association of Woodturners
Dedicated to the Advancement of Woodturning

NEXT MEETING—October 28—Starting at 6:30 pm

Where:

JIM KEPHART WOOD TURNING
85 HILLARD St, MANCHESTER

MEETING DEMO by LYNDA ZIBBIDEO
“101 THINGS TO DO WITH PEN BLANKS”

PRESIDENT’S NOTE

September ended on a high note. The club supported Central Connecticut Valley School of Woodworking with their 2 day open house, with our pen turning event at Coventry Farmers Market and with our first Learn and Turn session.

Over 20 members participated in the above events. Some participated in more than one. That’s a lot of turning and interacting with members and the public last month.

While I was at the Coventry event, I had the chance to talk to parents, friends and others as they watched someone learn to make a pen. They were impressed we could teach them to do it so quickly, and that the club donates time and materials to these kinds of events.

I’m impressed by the photos from our Learn and Turn Program. Under the guidance of Buster and Jim with the support of Eric, Tom and Scott several members honed their woodturning skills. I can’t wait to see the results in person at our October meeting.

October has two events and November has one. All in all this will make 2014 a great year for the club.
George Upton, President

UPCOMING EVENTS.....

OCT 25

Woodturning at the Lisbon Senior Center. CCW will demo and assist attendees in pen turning.

Up to six lathes with turning tools are needed.

Location—11 Newent Rd (CT RT 138), Lisbon, CT

Starting time—9:00am

The Mystic Wood Carvers will join us for this event.

Joe Doran is the CCW coordinator for this demo. For questions and/or to participate in this event, contact Joe at 860-376-3170 or narodjt@gmail.com

OCT 26

Learn and Turn---Second of three sessions for those who have attended session one.

If you have not finished you bowl from the first session, bring it to this session to finish it.

The subject for session II is “Turning a Platter”.

There will be a small cost for the wood you will use to turn your platter +/- \$5.00.

Also, there may addition wood for bowl turning at a similar cost.

Time—10:00 am to 4:00 pm

Please park to the rear of the lot so we do not impact neighboring businesses.

For more info contact the coordinators of this program.

Jim Kephart, Phone 860-643-9431, email jimkephart@aol.com

Buster Shaw, Phone 203-294-0346, email bustershaw@sbdglobal.net
